Dr Alessandro Covi

Alessandro is a dispute resolution lawyer specializing in international arbitration proceedings and cross-border disputes. He has acted in arbitrations under various rules, such as ICC, DIS, SCC, UNCITRAL, CIETAC, NAI, ICSID, as well as ad-hoc arbitrations. Alessandro's practice focuses on complex technical disputes in the field of constructions, infrastructure, licensing of technology, and natural resources. Additionally, Alessandro has significant experience in representing sovereigns and corporations in investor-state-arbitration proceedings on the basis of bilateral or multilateral investment treaties, and regularly advises clients on public international law issues.

Besides his counsel work, Alessandro regularly acts as arbitrator in commercial disputes. Moreover, from 2021 to 2024, Alessandro served as co-chair of the DIS40, the young practitioners' initiative of the German Arbitration Institute (DIS).

Alessandro is an Italian national qualified in Germany. He has studied in Passau, Münster, and Krasnoyarsk (Russia) and lived in Brazil. He speaks German, Italian, English, Portuguese and Russian.
