Dr Anna Ruth Leo

Anna Ruth is active in the fields of construction law, real estate law and neighbour law. She advises and represents private and public clients on all administrative law issues in connection with the realisation of construction projects and the implementation of authorisation procedures under public law.

Her key practice areas are in construction planning law and building regulations. Anna Ruth also advises on all issues relating to neighbour law and real estate law. She represent clients in out-of-court conflict resolution as well as in litigious proceedings before the courts.

Curriculum vitae

- Studied public administration at the Hessian University of Applied Sciences for Police and Administration, 2007 to 2010
