Prof. Dr Christian Bönker

Specialist lawyer for construction and architects' law

Christian advises on complex construction and real estate projects. His key practice areas are contract drafting and contract management, but he also represents high-profile clients before the courts and arbitral tribunals. Christian also advises clients on the sale and purchase of property, and also specialises in the legal issues concerning building management in the broadest sense.

What others say

„ One of the leading names in construction law – ‘one of the very best advisors in construction law. Very pleasant to work and negotiate with,’ ‘always confident,’ clients “

JUVE Rankings 2025/26

„ Christian Bönker gains recognition from market commentators for his sweeping knowledge of major construction and infrastructure projects “ .

Who's Who Legal Germany 2020

„ Recommended lawyer for environmental and planning law “

Legal 500 Germany 2025

„ Recommended lawyer for construction law “

Legal 500 Germany 2023

„ Listed as one of the leading lawyers for construction law in Germany; Christian Bönker is sought after by the public sector for his expertise in handling construction contracts for new research facilities, with a further focus on PPP infrastructure projects. “

Chambers Germany Guide 2025

„ Recommended lawyer for real estate law “

Legal 500 Germany 2018
